

September Bible School

At Whitby Evangelical Church

31 August - 2 September 2018

Speakers: Simon Arscott, James Swanson, Martin Woodier

"Now show me Your Glory"

The aims of the Bible School are to encourage young adults (sixth form age and above) to grow strong in Christ and to be equipped for service in the church. It will start at 7pm on Friday evening with a welcome session and a meal. It will finish after lunch on Sunday. There is also time for relaxation and fellowship built into the programme.

The Bible School is held in Whitby in North Yorkshire. The meetings are held and meals are eaten at the premises of Whitby Evangelical Church. There is a choice of accommodation - either you can stay at the church (sleeping on the floor) - £40, or B&B accommodation can be arranged if requested (please ask for details).

Martin is leading a church plant in Keighley alongside being Co-Pastor at South Craven Evangelical Church. He is Director of the Yorkshire School of Christian Ministry (which offers training for church members and leaders) and helps to lead the church planting initiative, Gospel Yorkshire. *He was married to Kim, who had M.S., for 32 years before she went to be with the Lord. He has three children and three grandchildren.* He loves walking and reading, often simultaneously!

Simon is Minister of All Nations Church Ilford, a congregation of the International Presbyterian Church. He's married to Becky and they have 4 children, aged 9 downwards. He likes reading, rugby, and thinking about running.

For the last 8 years James has been pastoring a culturally diverse church (over 20 different nationalities represented most Sundays) in Lefkoşa the capital of North Cyprus. The church in Lefkoşa is based on the uncompromising belief of the importance of the preaching of God's word to all nations and the principle that CHRIST plus NOTHING is EVERYTHING. James is married to Rachel and they have been blessed with three children. When not doing "church stuff" he enjoys trail running, the mountains and family time.
